THE CHALLENGE

- Fragmented training across multiple sectors and organizations
- Inconsistent visitor experience standards
- Limited visibility into frontline training and performance
- Manual processes and low engagement
- Scalability challenges to upskill tens of thousands of frontliners

THE SOLUTION

VX Academy – an AI-powered digital platform that enables organizations to onboard, train, certify and engage their frontline workforce at scale.

- ✓ Interactive AI-powered learning journeys
- ✓ AI assessments for knowledge validation
- ✓ Personalized learning experiences
- ✓ Digital certificates & badges
- ✓ Real-time analytics & intelligent insights
- ✓ Mobile-first, easy-to-use platform

THE IMPACT

Standardized visitor experience training across Abu Dhabi

Higher training completion and engagement

Data-driven insights for smarter decisions

Empowered and confident frontline professionals

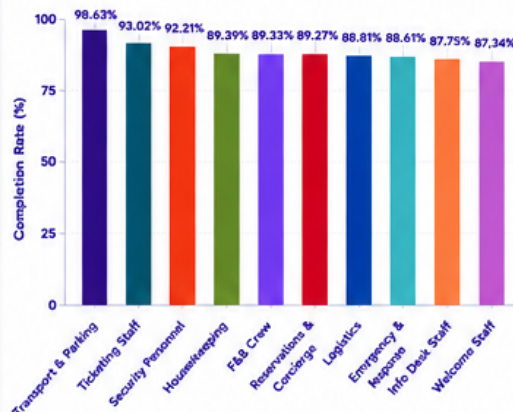

Stronger destination reputation through service excellence
